2009 HIA-CSR QUEENSLAND HOME OF THE YEAR

2009 Queensland HIA-CSR Home of the Year – JW Constructions (Qld)

Described by judges as “simply in another class to every other entrant”, a Sunshine Beach house won the ultimate prize for JW Constructions (Qld) at the 2009 HIA-CSR Housing Awards in Brisbane on the 6th November. It was named HIA-CSR Queensland Home of the Year after a night of success for the Sunshine Coast-based company which also picked up the category of Queensland Custom Built Home of the

Year. The meticulously detailed home includes three master bedrooms on separate levels, wine cellar, tasting room, bar, multiple entertain areas, roof top pool with acrylic wet edge walls and more. “This home is impeccable and sets the benchmark for others to achieve,” the judges said.

2009 North Queensland HIA-CSR Home of the Year – Bentec Homes

Bentec Homes has taken out top honours at this year’s North Queensland Housing Awards held in Townsville on the 30th October. The judges all agreed this home has great visual appeal with the combination of natural timber, glass,

stainless steel and aluminium perfectly balanced to the design and function of this home. With a large open living area a focal point for family living the connection of bedroom areas is discreet but still flows well, the outdoor living areas seamlessly connect to the main living room. The Boat House truly is a home for all seasons.
